FASHION AND STYLE

Outer Limits

It's time to pull those vintage furs out of storage, be they faux or authentic, they radiate luxury, style, and originality, so you don't have to!

Check out some fall favorites from the kHyal Kouture Museum of Vintage Outerwear private collection.

Wilma Flintstone style faux leopard with leather tie belt. Perfect over leggings with tall equestrian boots.

HOMESTYLE

Monkey Around

Don't be afraid to play with patterns.
Monkey Wallpaper design by kHyal © 2006.

FALL FAVES

Vintage faux mink with leather trim and excellent toggle hardware fasteners.

Vintage lamb coat with leather trim and contrasting mink collar.

Vintage 3/4 length mink with elaborate embroidered satin lining.

Vintage mystery cocktail length fur coat.

Care and Feeding

www.ebay.com The quality and condition of vintage fur and faux fur varies greatly. The best quality faux fur coats and jackets were produced by actual furriers. And, even excellent quality fur coats can find themselves in poor condition if not properly stored and maintained over decades. Fur and leather should be soft and supple.

Think twice before purchasing a vintage fur coat that is stiff or brittle to the touch, you may find it falling apart after one or two wearings. For excellent detailed care instructions on fur and leather, check out the appropriate ebay guide by doing key word searches on specific fur or coat type under "guides and reviews".

kHyal is an artist, writer and designer. She is the founder of kHyal Kouture™, a line of original deconstructed vintage inspired clothing and jewelry.
